**PLEASE NOTE:** Since our September newsletter we exclusively use a safe server and a new e-mail ending to our domain: .TV instead of .COM. We will not return to the old e-mail addresses!

Dear License Holders & Friends

Your enormous feedback during the last three and a half weeks was very much appreciated by us.

Today, we have to thank you threefoldly:

- It was you - the National Directors - who informed us on 8 September 2013 that our Poland-based server was not available anymore and we had to learn that the World Beauty Association has been cut off from its e-mails. Due to your alert, we switched to a safe server and our back-up e-mail addresses [@missupranational.tv](mailto:info@missupranational.tv). The communication works well again and we will not return to the hacked ones ending on .com;
- It was you - in particular the winning contestants and the National Directors of our 2013 title holders - who passed the sad news to us that our former producer, host and launch partner, Mr Gerhard Parzutka von Lipinski from Poland and his Nova Scena company, is over-due or not paying the prize monies of the 2013 pageant. Nova Scena is obliged to pay and has already received the funds from Belarusian TV channel ONT in August. We continue to push Nova Scena to fulfil its financial obligations entirely and work on a solution for you. Our law firm will inform on a possible class action within our December newsletter. Please keep us informed on each payment received, even if partial;
- It was you - the National Directors - who warned us that our Polish ex-partner wrote a circular e-mail on 17 October 2013 pretending to do it in the name of our President, Mrs Tryny Marcela Yandar Lobón. We are glad that we informed you in advance within our newsletter of 4 October that such an abuse of our old e-mails might happen.

The Polish-style of the written English unmasked the faked mail of 17 October 2013. As you recognized, it was written from a different, new e-mail address Mrs Yandar Lobón never had. Additionally, that mail couldn't convince due to the aggressive wording of the Polish raiders. That is not the way the World Beauty Association communicates with you since 2009.

A few of you were confused by e.g. newly introduced names and numbers or the funny story that Mr Carsten Mohr, the Chief Advisor to Mrs Yandar Lobón, or other known members of WBA's core team would be laid off. This is of course not true and simply not possible because Mr Mohr is a major shareholder and not an employee of WBA. This is also the reason why he is an advisor to our President and not her subordinate. As in each real market economy, the shareholders appoint the President - not vice versa.

True is that Mrs Yandar Lobón gave birth to another child, couldn't attend this year's show and had to slow down the pace to take things easier. From here and also in your name, we wish them both all the best!

Fact is that Mrs Barbara Modzelewska, Ms Natalia Pelak and Ms Paulina Pawlowska are Polish and work for Nova Scena only. Also employment-seeking Mr Edwin Domínguez is not working for WBA. We assume that our National Director from Panama will wake up from his frivolous mistake to assist Mr Gerhard Parzutka von Lipinski when seeing the poor financial statements of Nova Scena since 2010.

It was our intention to help Mr Gerhard Parzutka von Lipinski in his difficult situation by allowing him to refund himself sub-licensing his last year to host ONT TV from Belarus. We are badly disappointed that the successful launch of Miss Supranational made him behave greedy and dubious at the end of our 5-yrns launch and regret the damage our clean and superb brand may suffer.

But chin up! We will do our best to get the situation under control and will inform you about our owners' next exciting steps.  
Good news you will get soon. For more details you may contact directly:

- Mr Carsten Mohr, the Chief Advisor to our President, [carsten@missupranational.tv](mailto:carsten@missupranational.tv), cellular +49 163 21 88 210 and +48 790 316 164 or WBA Panama (skype);
- Ms Dalexis Forneau, your Relationship Manager for Hispanic countries, [dalexis@missupranational.tv](mailto:dalexis@missupranational.tv), cellular +58 424 814 9044;
- Ms Cheryl John, your Relationship Manager for the 'Rest of World', [cheryl@missupranational.tv](mailto:cheryl@missupranational.tv), cellular +48 534 905 481 and +353 863 361 746.

Best regards
